

About Our School

- Conner Middle School is a rural/suburban school located in Northern Kentucky, with an enrollment of approximately 900 6th, 7th, and 8th students
- Our population consists of a full range of socio-economic levels including a free/reduced lunch population of approximately 25%.
- CMS has a strong history of academic achievement and stands as one of only five middle schools in the state of KY that has achieved their state testing goal for the past sixteen years.
- CMS staff is committed to making sure each student is successful and meets a high level of learning. This commitment is reflected in our school policies requiring students to complete all work to a satisfactory level and demonstrated through the countless hours of teachers tutoring students after school.
- Our CMS model of professional values (Collaborate within the school community, Model positive behavior, respect, and responsibility, and Support and demonstrate lifelong learning) allow us to work as a professional learning community that strives to continually improve our practice.
